Happy Holidays!

The Brothers of Purdue Theta Chi want to wish you a Merry Christmas, Happy Hanukkah, and Happy New Year! This past year was a busy one for the Alpha Delta chapter. 2018 proved to be a seminal year for us, and we are more than excited to keep the momentum going in 2019. These strides would not be possible however without the support from our alumni at tailgates, homecoming, alumni dinners, and other events. Alumni are always welcome at the house anytime. It is your support that helps keep our chapter alive, and for that we sincerely thank you. This edition will illuminate some of what we have done this past semester, as well shed some light on what's to come in the new year.

Brotherhood

The Alpha Delta Chapter is proud to welcome the Fall 2018 pledge class! As of November 4th, we initiated 29 new members of the highest quality into the brotherhood. The brothers strive to seek out potential new members that will add positively to the house. Looking ahead into the upcoming year, we are excited to run another successful spring rush. If you know somebody who attends Purdue university and is interested in joining a fraternity, please have them contact our requirement chair Ben Wilson at (239)-600-2200.

Alumni Impact

Thanks to all the alumni who came to our tailgates and our alumni dinners this semester! Special thanks to alumni Father Phil, Gary Steinhardt, and Chuck Gillespie who came to speak at alumni dinners. These dinners consist of a Theta Chi alumnus speaking to our brothers on his experience and success through Theta Chi. If you would like to speak at any of these dinners and share your experiences, or want to just come by and talk with our brothers, please reach out. If you would like to be a part of an alumni dinner or are curious about more ways to get involved with the chapter, please contact our alumni chairman Joey King at joserey252525@gmail.com or at (216)-339-5525.

Philanthropy and Involvement

Our Philanthropy program, GI Theta Chi, was a huge success this year. During the month of September, we raised over \$2,000 and all proceeds went to the United Service Organization. In addition to our own philanthropy, numerous brothers also participated in other community service events. This year, we had 29 brothers participate in Purdue university Dance Marathon. Our team raised \$8,761 in support of Riley Children's Hospital.

We also participated in Phi Mu's philanthropy this year, Miracle Mania. Miracle Mania is a dance competition that supports the Miracle hospital network as well as Riley Children's Hospital. Our team was awarded first place in the competition.

Upcoming in 2019

Purdue Theta Chi is excited for what's to come in 2019. First off, our new chapter website is up and running! It can be visited at <https://purduethetachi.com/> . In the spring, the Alpha Delta chapter will have a team representing them in Purdue Grand Prix. This will be the first time we have entered a kart in Grand Prix since 2016. It will be a long road to race day, as there are not enough funds and still numerous repairs we must make to the kart along with getting a new suit and helmet for the driver. If you have any questions about Grand Prix, would like to get involved with it in any way, or are considering donating to the team please contact Neil Ramseier at (858)-499-1680. You can also donate online on our website at <https://purduethetachi.com/donate/> . If you would like to become more involved in the chapter or have questions about anything, please contact Joey King at joserey252525@gmail.com or (216)-339-5525. Finally, on behalf of the Alpha Delta chapter, thank you and happy holidays to all our alumni, we hope to see you in the coming year!
