Spring 2019

An Assisting Hand

The Brothers of Purdue Theta Chi have had a busy and productive spring semester. Not only have the brothers been making strides academically, but we have continually been getting more involved on campus as well. Our members are a part of numerous campus organizations including Old Masters, Boiler Gold rush, Purdue university Dance Marathon, and many more. This coming year marks an extremely important one for us because of our chapter's centennial. Few fraternities can say they have been continually active for 100 years. We plan on having a big event to celebrate, so stay posted for details. Thank you for your continued support and we hope to see you at the house soon!

Brotherhood

The Alpha Delta Chapter is proud to welcome the Spring 2019 pledge class! On April 9th, 18 new members were initiated into our brotherhood. We have already begun the process of reaching out to potential new members to come and check us out during fall rush. If you know somebody who is an incoming freshman or currently attends Purdue and is interested in joining a fraternity, please have them contact our recruitment chair Ben Wilson at (239)-600-2200.

Alumni Dinners and Reunions

This semester we had two alumni reunions, one in Indy and another in Chicago. Also special thanks to everyone who came to speak at one of our alumni dinners! If you would like to speak at any of these dinners and share your experiences or want to just come by and talk with our brothers, please reach out. If you would like to be a part of an alumni dinner, know somebody who would, or are curious about more ways to get involved with the chapter, please contact our alumni chairman Joey King at joserey252525@gmail.com or at (216)-339-5525.

Philanthropy and Involvement

This semester we ran one our most successful philanthropies to date. We partnered with the ladies of Kappa Alpha Theta and ran a volleyball tournament, Mac and Cheese buffet, and numerous skip-a-meals. In total around \$3,500 was raised. \$2,000 of which benefited the USO and the rest went towards Kappa Alpha Theta's philanthropy, benefiting Court Approved Special Advocates.

Also, two of our brothers represented Theta Chi in Zeta Tau Alpha's Big Man on Campus philanthropy event. BMOC is a talent show which raises money to benefit breast cancer awareness and education. Our members finished in the top ten contestants, tying for fourth place overall. Zeta's philanthropy raised over \$10,000.
