IN THIS ISSUE

## Welcome Back

The brothers of Theta Chi would like to wish everyone a happy Fall as we gear up for another great semester at Purdue! The Alpha Delta Chapter of Theta Chi is very happy to announce that we are now off university and national probation. The brothers are continuing to make great strides as a house through philanthropy and community service efforts, as well as continued brotherhood events. Support from the alumni has contributed to this success. The Chapter House is always

open to alumni, especially during tailgates, homecoming, and alumni dinners. The brothers would like to thank all the alumni that continue to support and improve our house every year. This newsletter will help to highlight our fraternity's improvements and the events we have coming up.

### Tailgates

Tailgates are back in full swing this semester. The brothers hope to see a lot of alumni there.

Theta Chi has begun doing alumni dinners again. It is very important to the brotherhood to improve relations with alumni.

# Tailgates

It seems that everyone is excited for the football season coming up! The Alpha Delta chapter of Theta Chi will be having tailgates this year and inviting the alumni to join us. The Chapter House's parking lot will be open for alumni to use. The tailgates will also be open and free to all alumni. The chapter will provide food, drinks and parking to all alumni.

If you would like to come to any of the tailgates, please RSVP. You can RSVP by either filling out the google sheet, emailing or texting Chaz Osborn, the chapter's alumni relations chairman.

The list of tailgates is under the "Upcoming with Theta Chi" portion of the newsletter.

# Homecoming

Homecoming will be our biggest tailgate this year. Last year we had a great showing of alumni, but this year will be even better! Homecoming will be taking place September 22<sup>nd</sup> during the Purdue vs. Boston College game that starts at 12 PM Eastern time. The

tailgate will be starting at 9 AM and we will be having burgers and hotdogs cooked by our great chefs, Karen and Margie. Please RSVP for this event (link above). The brothers of Theta Chi hope to continue to reconnect with the alumni and hopefully get them more involved.
