NOW THEREFORE, for and in consideration of the covenants herein contained, it is agreed by the parties as follows:

1. The initial term of this contract is Purdue University’s Fall 2023 and Spring 2024 semester.

4. Chapter agrees to provide room and board to Student for the term of this agreement, except as provided herein. The House will open on Thursday, August 21, 2023. 5. During the term of this agreement the Student shall familiarize himself with and abide by all federal, state, and local laws, rules, bylaws and/or regulations of Purdue University, of Alpha Delta of Theta Chi Fraternity, and of Theta Chi National Fraternity as such rules and regulations presently exist and as they may be amended or changed from time to time. Any violation thereof by Student may, at the sole discretion of the Chapter or Theta Chi Alumni of Alpha Delta Chapter, Inc. (the "House Corporation"), be considered a breach of this agreement and grounds for immediate eviction of the Student. **Student acknowledges the requirement of meeting the Chapter Academic Standards of a minimum grade point average ("GPA") of 2.70/4.00, cumulative or semester, to be able to move in to the Chapter House in August 2020. To meet the semester standard, a Student must be enrolled in a minimum of 9 credit hours.**

8. Upon execution of this Agreement, **Student shall deposit the sum of one thousand dollars (\$1,000.00) with Chapter**, if not previously held. Said sum shall be held by the Chapter as security for any charges or damages for which the Student may be responsible ("Security Deposit"). If charges are applied to the Student's Security Deposit, the Student is required to bring the Security Deposit balance back to \$1,000.00 within thirty (30) days. The deposit shall be held

by the Chapter until the Student ceases to attend Purdue University. The Student may not apply this deposit toward normal house bill charges owed the Chapter. The full deposit less any outstanding charges or damages shall be returned upon the request of the Student within a reasonable period of time after the termination of this Agreement. The student's room key must be turned in to the House Director to receive a Security Deposit refund.

In addition to the above sum, Student shall also pay Fraternity the following two fees:

- Two hundred fifty dollars (**\$250**) per semester as a technology fee which provides internet service to the fraternity house; and
- Seventy-Five Dollars (**\$75**) per semester as a laundry fee which provides student the ability to use the laundry room equipment.

Four Semester Live-In Discount – Those Students who have resided in the House for **a minimum of four semesters** and pay by the semester shall be eligible for an additional discount of four hundred dollars (**\$400.00**) **per semester**.

10. If the Student fails to pay any sum to the Chapter when it is due, he shall pay such fines or penalties as may be provided by the Chapter's rules and regulations, interest on the unpaid sum at the maximum lawful rate of interest, and all costs of collection, including reasonable attorney's fees, which the Chapter may incur in connection therewith. A **minimum late fee** of \$50.00 per month will be charged for any past due payment. If the Student fails to pay an installment of the semester basic charges within thirty (30) days of its due date, the Chapter may, without giving him credit,

therefore, discontinue providing board and membership benefits to the Student until he has paid the delinquent installment.

11. Any Student who lives outside the House, *after meeting the requirements of Paragraph 18*, while attending Purdue University agrees to pay to the Fraternity the sum of **\$900.00 per year** by paying **\$450.00 for each the fall and spring semester** within ten days after the first day of that semester's classes. Such charges entitle the Student to a maximum of one meal per week at the House and help reimburse the Chapter for insurance and registration fees. Failure to pay these fees shall result in the Chapter discontinuing membership benefits to the Student until he has paid the delinquent installment.
12. The payment amounts stated in Paragraphs 8, 9, 10 and 11 above may be increased at any time at the discretion of the Chapter. Increases are based upon increases in operating expenses and are first approved by the Housing Corporation.
13. In addition to the charges specified above, the Student shall pay to the Chapter such individual charges as he may incur for optional goods and services furnished by the Chapter, such special assessments and fines as the Chapter may levy upon its members, and such candidate fees, initiation fees, building fund fees, and national dues as are customarily charged or assessed by the Chapter. Such charges, assessments, fines, and fees shall be paid as may be determined by the Chapter. Student shall also be responsible for complying with the Chapter's Risk Management Policy.
14. All payments received by the Fraternity from any member shall first be applied to non-uniform charges which have been billed by the Fraternity. The balance of any such payments shall be applied to the regular uniform assessments.
15. If Student falls more than two (2) months behind in paying the Chapter any charges due, the Student may be brought before the House Corporation Board for a hearing to determine suspension or expulsion of membership while attending Purdue.
16. At the option of the Chapter acting through its House Corporation Board, any student whose membership is suspended or expelled shall be considered in breach of this agreement and shall be evicted from the house. Any student who is evicted, suspended or expelled shall forfeit their Security Deposit.
17. The Student (and his Parent or Guardian, if he is a minor) expressly agrees that at the request of the Fraternity, Purdue University may encumber the records of the Student for failure to pay, when due, all room rental, food charges, and dues that apply uniformly to all members of the Fraternity. (Monies owed to the fraternity for fines, telephone charges and jewelry are examples of costs for which Students may not be encumbered.) The Student (and his Parent or Guardian, if he is a minor) expressly authorizes the University to make the encumbrance with full knowledge that the encumbrance denies the Student access to his transcript of academic records and precludes him from continued enrollment in the University. This encumbrance does not impair or limit the Fraternity from taking legal action with respect to the unpaid obligations for which the encumbrance was made. The encumbrance procedure may not apply to any obligations which may be incurred by the Student after he ceases to be a continuing Student at Purdue University.

18. This Agreement may be terminated as follows:
- a) This Agreement shall terminate automatically at the conclusion of the term set forth in Paragraph 1 unless terminated as provided herein.
 - b) Any violation of any provision or covenant of this Agreement by Student shall entitle Chapter at its sole discretion to terminate this Agreement by delivering a written notice of such termination to Student. An election by Chapter not to exercise its option shall not preclude or waive the exercise of that option in the event of continuing or subsequent violation.
 - c) Subject to paragraph 19 below, once Student has resided in the House for **a minimum of four semesters**, Student may terminate this Agreement by giving Chapter sixty (60) days written notice and paying to the Chapter all sums due and owing under this agreement as of the effective date of termination.
19. Once Student has resided in the House for ***a minimum of four semesters***, and at the conclusion of the Spring semester ***only***, Student may be released from the obligation to live in the House during the next school year and to pay the amounts listed in Paragraph 11 provided the House occupancy, in the opinion of the House Corporation, is expected to exceed capacity. If Student moves out of the House ***without being released by the House Corporation*** from his obligation to continue to live in the House, Student shall forfeit his Security Deposit and the Student shall be suspended or expelled by the Undergraduate Chapter.
20. In the event the House is rendered uninhabitable by fire, explosion, mechanical failure, or other catastrophe, the Student will be directed to move out of the Chapter House until the problem can be corrected and the Chapter shall have no obligations to provide housing.
21. Should Student breach this Agreement in any way, Student shall forfeit the Security Deposit and full room and board for the semester in which the breach took place.
22. Subject to the other terms of this Agreement, upon termination or move out, Student shall receive a refund for any payments for room and board for full months of the academic year during which the Student did not occupy the House. All amounts due Chapter by Student upon termination or move out shall be paid before any refund is issued.
23. Upon termination of this Agreement or move out, Student shall remove any and all of his property from the House. If any such property is left in the House without written consent of Chapter, Chapter may take possession of such property without notice, and may after subtracting the costs of such disposal or sale, apply any proceeds to offset any outstanding obligations due Chapter by Student. Only then shall any remaining proceeds of sale be remitted to Student.
24. The Student shall comply with the following restrictions regarding the use and/or modification of individual student rooms. Theta Chi follows the same rules as the Purdue dorms.

It is the obligation of the student to leave the room in a condition comparable to that when first occupied. Rooms must be clean and free of debris, trash, etc., at the end of each semester. Each room will be inspected at the beginning and end of each semester and the cost of any damages to the room or its furnishings will be assessed to those Students assigned to the room in question.

The following general restrictions apply to any new modification to any individual student room.

- a) Only freestanding structures will be allowed in each student room.
- b) Bunk beds are provided for members to use in the cold air dorm. If a member decides to provide their own bed, elevated beds, commonly referred to as lofts, may be constructed in student rooms according to the Theta Chi loft policy (copy available upon request) provided they are free standing and not anchored to any wall, ceiling or floor. Lofts may only be located on the outside wall of the room and must be situated so as not to interfere with the flow from the sprinkler system. Lofts cannot be enclosed in any way. Lofts may not exceed 4 feet in width or 7 feet in length. Lofts must have a minimum of 42 inches clear between levels and the top level must be at least 42 inches from the ceiling. It is the responsibility of the student to ensure the structural integrity and stability of the loft structure.
- c) Students shall not place or construct any improvement or furniture that would constitute a fire hazard.
- d) The window, window sill, and window head may not be altered in any way. The base board heating system may not be blocked or altered in any way.
- e) No painting or modification may be done to the room door. Additional locks (deadbolts, chains, etc.) are not allowed. Doors cannot be cut, planed or altered in any way. Items cannot be attached to the door with any device that will make holes or create damage of any kind.
- f) Carpet may be installed, but may not be permanently attached to the finished floor. Double stick tape may not be utilized for this purpose. No other floor finishes may be installed (parquet, linoleum, tile, etc.).
- g) Decorating may be in the form of posters, pictures, banners, etc. and may be hung by the use of specially designed anchors that limit unsightly damage. Each Student shall take a mature approach to decorating his room as parents and alumni are frequent visitors to the House.
- h) Walls, floors and ceiling shall be maintained in “as-is” condition, free from new holes, marks and scrapes. No painting of any kind is permitted. Pictures may be hung with specially designed hangers that limit unsightly damage. Screws or large nails are not permitted.
- i) Window air conditioners will not be permitted at any time. An unconditional fine of **one hundred dollar (\$100)** per day per occupant shall be assessed for each day of violation.
- j) Cooking equipment (including microwaves) is not permitted in a student room.
- k) No electrical wiring or alterations of any kind are permitted. Dimmer switches may not be installed and the ceiling light fixture cannot be changed. Student may request electrical modifications be installed by the Property Manager through the Alumni Board.

- l) The use of electric saws and other power tools that create dust and shavings must be confined to the Student room or the outdoors. Construction materials or debris must be taken directly to the Student room or dumpster and may not be stored in the common areas of the House.
 - m) False or elevated floors may not be constructed.
 - n) A **one hundred dollar (\$100)** charge will be assessed to any Student who fails to turn in his room key to the house director at the conclusion of each semester.
 - o) All furnishings other than the basic contents stated above are to be provided by the individual occupants of the room. The basic contents provided for each room must be maintained by the student and may not be removed.
 - p) If personal items, trash or kitchen items are left in the room at the end of the school year, the Student will be assessed a fee of **Two Hundred Fifty Dollars (\$250)**, shall be responsible for a proportionate share of the cleaning expense.
25. Food and drink will not be permitted in the first floor formal living room. Pets are not allowed in the chapter house at any time.
 26. The cost of any damage [in addition to a fee of **Two Hundred Fifty Dollars (\$250)**] caused to the House or its furnishings by any Student(s) will be assessed to the Student(s) deemed responsible. If it is not possible to determine the Student(s) responsible for such damage, the cost will be uniformly assessed to all Student(s) occupying the House.
 27. Student shall cause the chapter house and student's individual room to be clean during the year and at the conclusion of each semester. If Student fails in this regard, the Students assigned to the room in question shall be responsible for a proportionate share of the cleaning expense.
 28. The Chapter, for itself and its House Corporation, reserves the right to enter the Student's room during reasonable hours for purposes of inspecting the condition of room and making such repairs, alterations, additions, and improvements as the Chapter or its House Corporation may deem necessary or desirable. The Chapter, for itself and its House Corporation, also reserves the right to enter the Student's room to insure Student's compliance with Article 5 of this Agreement.
 29. Student expressly agrees to provide an academic transcript and agrees to the release of his grades and grade average at Purdue University to the Chapter President, the House Corporation, or Advisor of the Fraternity for the purpose of determining compliance with the Chapter's academic grade requirements and identifying recipients for scholarship awards, where applicable. It is further understood that the general membership of the Fraternity will not have access to said grades.
 30. This Agreement may be extended or amended by written agreement of the parties.
 31. The Student shall not sell or assign this Contract. No modification of this Contract shall be effective unless it is made in writing and is signed by the Student, the Chapter, and its House Corporation.

32. The Student and his undersigned Parent(s), or legal guardian(s) or Guarantor shall be jointly and severally liable for the Student's full and faithful performance of the terms and conditions of this Contract.
33. Student agrees to indemnify, hold harmless and protect Theta Chi Fraternity of Alpha Delta Chapter, Inc., Alpha Delta of Theta Chi Fraternity, Inc., Theta Chi Alumni of Alpha Delta Chapter, Inc., Theta Chi Foundation of Alpha Delta Chapter Inc., Theta Chi National Fraternity and their respective officers, affiliates, shareholders, agents, representatives, and members from any and all damages, awards, judgments or any other liability, including reasonable attorney's fees, in the event of any claim, action or lawsuit which arises from or in any way relates to any action or inaction of Student. These acts may include, but are not limited to, individual actions or actions of individuals when involved in group activity which may be in violation of behavior as described in this contract, or any other immoral actions or infractions of regulations, ordinances or statutes.
34. This Agreement provides the Student the right and privileges described above for the term of the school year as defined by Purdue University and only that period. Specifically, these rights and privileges are applicable only for the exact days school is in session during fall and spring semesters. The House Corporation may grant privileges to Student to occupy the House over breaks on an individual basis. Unauthorized occupation of the property will be viewed as trespassing and the intruder may be subject to prosecution.
35. The undersigned parent, guardian or guarantor hereby acknowledges the benefits of this Agreement accruing to his or her Student and personally guarantees Student's performance of the obligations and covenants contained herein. Parent further agrees to indemnify and reimburse Chapter from any loss or damage caused by Student's failure to abide by any agreement made thereunder and for any amounts incurred by Student under this Agreement which Student has failed to pay, together with the Fraternity's cost of collection, including its reasonable attorney's fees.
36. Member agrees to comply with any COVID-19 Plan and Guidelines furnished by the House Corporation and/or Chapter as well as all any Purdue University rules, protocols, regulations and procedures relating to or in connection with COVID-19/coronavirus and any other CDC/Federal/State of Indiana/Local/Municipality rules, protocols, regulations and procedures. Member acknowledges that House Corporation and the Chapter have put in place preventative measures to try to reduce the spread of COVID-19/coronavirus. However, House Corporation and the Chapter cannot guarantee that a Member will not become exposed to and/or infected with COVID-19/coronavirus and that living in the House and taking part in activities at the House could increase the risk of exposure to and/or contracting COVID-19/coronavirus. By signing this Agreement, Member acknowledges the contagious nature of COVID-19/coronavirus and voluntarily assumes the risk that Member may be exposed to or infected by COVID-19/coronavirus through living in the House or taking part in activities at the House and that such exposure may result in personal injury, illness, permanent disability, and/or death. Member acknowledges he has been informed of and understands the risks associated with living in the House and taking part in activities in the House, and that any personal injury, illness, permanent disability and/or death caused by, relating to or in connection with COVID-19/corona virus that Member may sustain by any means is Member's sole responsibility and Member expressly

assumes such risk. The undersigned Member agrees to release, indemnify, defend, and hold the House Corporation, the Chapter and its other Members and all property owned or leased by the chapter, real and personal, including the Chapter House, free and harmless from any and all liability for claims, damages, or injury to and/or death of Member or any person in connection with or relating to COVID-19/coronavirus.

37. ***Member acknowledges that operation of a fraternity house requires that fraternity members participate in weekly cleaning sessions throughout the school year.
