## SPRING 2024 PLEDGE CLASS

Over the winter break and the first couple weeks of the spring semester, our Rush Chairmen, Ian Beaver and Luke Starr, were hard at work networking and recruiting potential new members for our Spring 2024 rush rotation. Finally, after a highly successful Rush Week, with over 250 rushees, we welcomed 32 new pledges into the Spring 2024 pledge class. Induction was held on Sunday, January 28<sup>th</sup>. We are very excited to see these young men start their resolute journey and learn what it means to be part of Alpha Delta Chapter.

## GRAND PRIX PREPARATIONS

It's finally the spring semester, which means that Grand Prix is on the horizon and our Grand Prix team here at Alpha Delta has been starting preparations for the race in April. Special thanks to Alumni Brian Schuman and Brian Duncan for dropping off the kart to the team this last weekend and all of their contributions to the team in general! In the coming weeks the team plans to prepare for technical inspections and continue to prepare each other and the kart for the incoming season.

## UPCOMING PHILANTHROPY/BROTHERHOOD

We have a lot of exciting events planned in the coming weeks, on both the philanthropy and brotherhood sides. Our philanthropy chairs Jake Torcasio and Brennan Culman have been planning one of our yearly philanthropy events, Tater Chi. Scan the QR code below to pre order your food and come out to the house on 02/10 after the IU game for great food and fun with the brothers! Additionally, our brotherhood chairs Jake Deahl and Jason Laatz have several exciting brotherhood events planned, including ice skating and a Pacers game outing.
