New Leadership

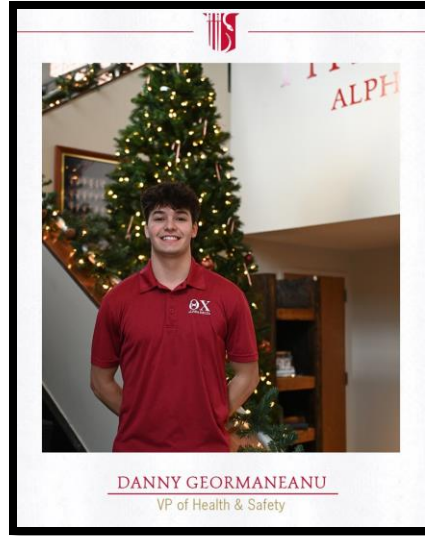

Late last semester, Alpha Delta welcomed the newly elected members of the 2025 Executive Board!

Even though the semester has just started, they have been hard at work leading the brotherhood. With a successful Spring 25' Rush behind us, there is much to look forward to with our new Executive Board!

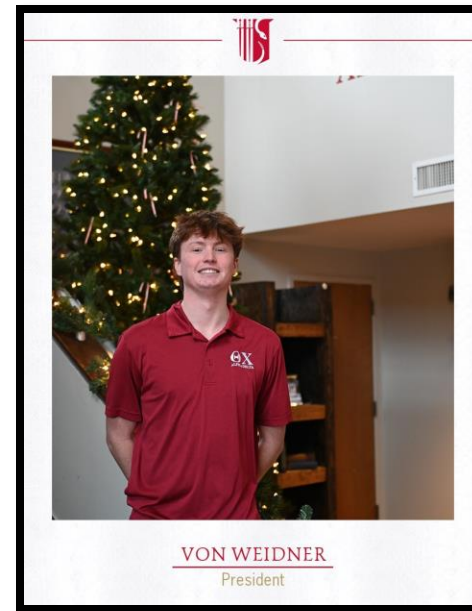

We look forward to many more successes in 2025 as our new Executive Boards leads the way!

Philanthropy & Community Service

Philanthropy:

Last semester's philanthropic events were a huge success, most notably, our ΘXtober festivities.

This semester, we are excited to continue our annual event, Tater Chi! Join us for good food for a good cause! Also, be on the lookout for future events, such as Theta Chi Thrift and a Theta Chi Concert!

Community Service:

Last semester the Brotherhood collectively offered our services for over blank hours, with events such as Winterization and Purdue Space Day!

This semester, we've hit the ground running, already having volunteered for Purdue Polar Plunge for Special Olympics!
